## Understanding the different levels of meets

**No Time Standards:** Typically these meets are for 9 and over swimmers only. Anyone who meets the age requirement is eligible for this meet. This is no time requirement beforehand.

**Mini Meet:** These meets are for all 8 and under swimmers.

**Time Standards:** Typically these meets are for 9 and over swimmers only. To be able to go to these meets, you must have swum the event and had a faster time than the time standard listed in the meet announcement.

**Qualify:** This means you have to qualify for the meet and this happens depending on the particular meet. Please check the meet announcement for details, as they are all different.
