**OCTOBER 29, 2011**

**WARM-UP INFO:**

Warm-Up/Warm-Down Guidelines: Each team will be assigned warm-up times. Swimmers must be under direct supervision of a currently registered USA Swimming coach. **All unattached swimmers and swimmers without a coach must report to the meet director prior to warm-up.** The last 10 minutes of each team's warm-up session may be used for starts at coach's discretion. All starts during warm-up begin at starting block end and swimmers swim one way and get out at far end of pool. Swimmers violating safety rules will be removed from warm-up for the remainder of the warm-up session. Subsequent violations will result in the swimmer's disqualification for the remainder of the meet.

- Swimmers Without a Coach: Swimmers unaccompanied by a coach with proper credentials should report to the Meet Director before the warm-up for each session. These swimmers will be placed under the supervision of the Jersey Storm coaches during the meet (for warm-up and competition). Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

**ENTRY LIMITATIONS:**

The Meet Director reserves the right to limit entries, events, heats, or to modify the meet format to conform to Middle Atlantic rules. Each session will be closed when the time line reaches a 2 ½ hour per session time limit. Entries will be entered into the meet in the order they are received. Teams and/or individuals that do not make a particular session or the meet will be notified of their status ASAP. Refunds for returned entries will be available at the meet or mailed after the meet if not picked up. To ensure maximum participation, entries will be processed in the following way:

- If a session reaches 2 ½ hours before all entries are entered, **the relays will be cut from the session.** When a session reaches 2 ½ hours with the relays removed, all further entries for the session will be returned. All other sessions will remain open until they also reach 2 ½ hours.
- 8 Year old swimmers should decide to swim either the 25 free, 50 free or 100 free as there may not be time for the swimmer to recover in between events. No time will be added in between the 25 free, 50 free and 100 free.

**DECK ENTRIES:**

- Deck Entries: Subject to space availability, and at the discretion of the Meet Director, deck entries will be accepted on the day of the meet, prior to the start of each session, at the cost of \$8.00/individual event, \$16.00/relay event. No additional heats will be added. Deck-entered swimmers will compete unofficially; the achieved time is official, but the swim will not score in the meet for points or awards. All deck entries must be submitted to the meet director 30 minutes prior to the start of the session to be considered. If a swimmer is not entered into the meet, a USA Athlete ID must be presented. Swimmers may also use a USA Swimming-watermarked roster that the club prints from its Club Portal for proof of current registration.

**SEEDING:**

- Events: All events are timed finals.
- Entry Seeding: All events will be pre-seeded swimming slowest to fastest.

**HOW TO ENTER:**

Entry times should reflect performance in short course yards (SCY) competition, however, entries reflecting performance in non-conforming times (long course meters (LCM) or short course meters (SCM)) are acceptable. All meet entries should be submitted using the actual time swum in the course in which the time was achieved. Entries with converted times will be rejected. In accordance with Middle Atlantic rules, the meet director will convert all times as necessary for seeding. If swimmer does not have a time for an event, use NT for the entry.

- E-Mail Hy-Tek Entries (preferred): All entries must be submitted using the Hy-Tek Team Manager or compatible program. A copy of the Team Manager entry report and zip file must accompany the e-mail. Entries must be accompanied by a completed 'Team Summary Sheet' (.DOC or .PDF) file.
