Classes will fill on a first come first serve basis. By getting your paperwork in prior to Sept 1<sup>st</sup>, it does not guarantee that you will get your first choice of timeslot. New participants will start to be accepted on Sept 7<sup>th</sup>, and with the continued interest in our program, we believe that we will fill any open slots at the evaluation. Please notice that the class times have changed from previous sessions.

### **New Participants:**

Information for the next session is posted on the website under the Lessons and Stroke School Tab. **DO NOT MAIL IN PAPERWORK OR PAYMENT!** All new participants must have an evaluation prior to signing up. You will need to bring your paperwork and payment to the evaluation and you will be signing up for your spot at the evaluation. No spots will be held. We will be doing evaluations for Lessons and Stroke School on Sept 7<sup>th</sup>, starting at 5:00pm. Timeslots will be assigned based on when your email is received starting on August 12, 2011. Each family will get assigned a time slot for your evaluation. In order to get a time slot you must: email [jmeirs@swimppst.org](mailto:jmeirs@swimppst.org) with the subject "Evaluation". Within the email please give us: parents names, swimmers name, age and a brief description of their ability. You will get an email back with your assigned timeslot for your evaluation. Don't forget to bring your paperwork and payment with you to the evaluation. Please note that we will not place you in a group without an evaluation!

Looking forward to seeing everyone in the Fall! Enjoy the rest of your summer!!
